GLOSSARY:

Earnings per share (EPS) is a company's net income divided by its outstanding shares of common stock. This represents data for the past twelve consecutive months.

Dividends per share (DPS) is the sum of declared dividends issued by a company for every ordinary share outstanding. This includes dividends announced up to the date of this report.

Dividend Yield is a financial ratio that tells you the percentage of a company's share price that it pays out in dividends each year. This includes dividends announced up to the date of this report.

Price to Earnings Ratio (PE) measures a company's share price relative to its earnings per share.

Price to Book Ratio (PB) considers how a stock is priced relative to the book value of its assets.
